## UC COLLEGIATE RECOVERY LEADERSHIP RETREAT 2019 SPONSOR LEVELS

The UC Collegiate Recovery Leadership Retreat brings together students and staff from collegiate recovery programs at each of our UC campuses to share resources and ideas, and to learn from experts in the field. We anticipate about 50 attendees.

By sponsoring the UC Collegiate Recovery Leadership Retreat on January 19-20, 2019, you will be helping us to provide meals for attendees and offer free registration for all students.

### What is Collegiate Recovery?

A collegiate recovery program (CRP) is a supportive environment within the campus culture that reinforces the decision to disengage from addictive behavior. It is designed to provide an educational opportunity alongside recovery support to ensure that students do not have to sacrifice one for the other.
